- 12. If you have less than 10 players substitutions will be allowed only in the 2nd and 4th quarters. Coach must use one of their timeouts and report the substitution to the score table and referees . This is a 20 second timeout so the players can match up. The player that comes out from the substitution cannot re-enter that quarter unless there is an injury. Please note that this counts as a quarter played and no player may play more than 3 quarters unless you have 6 or less players.**

Please remember that KAC is a participation league and substitutions should be used to give equal playing time to the children and not stack or confuse the other team.
